## Section 2: Supervision team details

The supervisor is the person responsible for the safety and well-being of participants during an expedition. The supervisor must hold the appropriate mode of travel qualification for the planned route. If this role is being divided between more than one person, for example, on different days of the expedition, please make this clear on the form. This role is the only compulsory one (apart from a DofE assessor for qualifying expeditions). It's also the only role that may require qualifications in the mode of travel. Please also fill in any other adult team members. If you have more, please use the extra fields at the bottom of this form.
